

### Wax Resist Painting Workshops

Methodist Church Hall, Paisley October 2021

Renfrewshire Council Part of "Wee Spree" Events

I delivered two drop in workshops aimed at children and families with a focus on engaging the community and bringing people into the town centre

Participants had the opportunity to decorate a hanging wooden decoration or necklace using wax crayon and watercolour paint to create wax resist patterns.

The aim of this workshop was to be adaptable to a variety of age groups and abilities throughout the day in a busy and fast paced environment
