

Build -a-Brooch Workshops

Paisley Abbey July 2019

I was asked to provide creative workshops as part of a new Creative Craft Trail linked to the Sma' Shot and Weave Festival in Paisley. Held in the historic Paisley Abbey, participants explored some local imagery and themes, using wood, paint and wire to create their own mixed media brooch.

This workshop was open to both adults and children over the age of 11.

"It was excellent! Lots of materials to choose from"

participant

"Trying something new. Eileen explained each step and provided inspirational ideas"
